History

The J. F. Goodwin Scholarship Club was founded in 1935 by Dr. J. F. Goodwin, a young black physician who saw a great need in the black community of Bethlehem. Along with practicing medicine, he preached a gospel of education beyond high school to equip young people to meet the challenges of life.

Years later Dr. Goodwin moved to Reading, PA where he continued his work with young black people and founded a sister club. Dr. Goodwin found the time throughout the years to remain active in both clubs.

In 1956 the J. F. Goodwin Scholarship Fund was established to act as custodian for the Fund. The founding members were Mrs. Olivia Clark, Mr. William Walton, Mrs. Audrey Blue, Mrs. Rebecca Grimes Hatfield, Mr. Jacob White, Mrs. Lillian Taylor, Mr. Sampson Taylor, Mrs. Margaret Bowers. Honorary members were Mrs. Harry Clark and Mrs. Melvin Neff.

Over the years the J. F. Goodwin Scholarship Club, consisting of high school students remained active as an extracurricular club in the Bethlehem Area School District until the mid-1970's. The Board of Directors created goals and activities for the J. F. Goodwin Scholarship Club.
